

## Perimeter Fence for Chajnacaya Square, Potosí (SDAF 0006)

## Perimeter Fence for Chajnacaya Square (SDAF 0006)

### Project Description:

As *Chajnacaya* is located in the highlands, it does not have any natural green areas, so the community has created a central square with lush landscaping. The SDAF-funded perimeter fence will help to maintain the development of this plant growth and preserve the beauty and pride of the community of 376 inhabitants.
