Donation of 1,000 Shoes and 1,000 Caps to Flood Victims (SDAF 0008)

Project Description:

The people of the department of Bení were affected by floods caused by El Niño in early 2007. As a result of severe floods in the area, many people lost their personal possessions and suffered property damage.

The donation of shoes and caps to 1,000 children and 1,000 adults was a demonstration of solidarity from the American people.
