

Construction of Bathroom Block in Tutuacaja, La Paz (SDAF 0009)

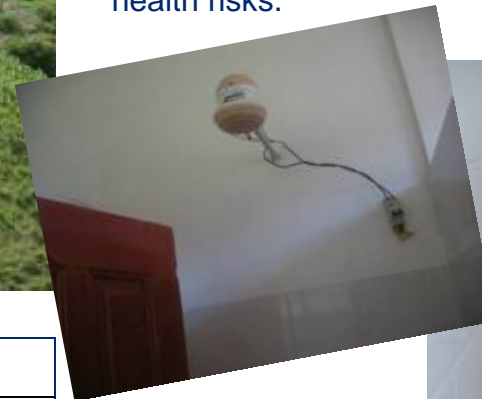

Construction of Bathroom Block in Tutuacaja (SDAF 0009)

Project Description:

The community of *Tutuacaja* had no public bathrooms or bathing facilities and the 105 people in the community had to walk over 450 meters to get water for bathing or washing clothes or use the river for washing and other personal needs.

SDAF funded the construction of a bathroom block and washing facility for the community that will improve the community's quality of life and reduce health risks.
