## Donation of Desks for Batallas Schools (SDAF 0023)

### Project Description:

The Civic Committee of Batallas sent USAID a letter requesting desks for public schools, citing the severe shortage of infrastructure for students in eight of the 36 public schools. During the first phase of this project, 130 desks were donated through the SDAF. In December 2009, as a result of a \$10,000 dollar donation made by the U.S. Military, 300 additional school desks were provided thus reaching schools in Karhuisa, Batallas, Igachi, Cullucachi and Yaurichambi from the province of Los Andes.
